MEMORANDUM FOR: Deputy Director of Logistics

SUBJECT : Contracts Under [redacted]
Responsibility

1. When the Office of Special Projects was established, CSA formally transferred some [redacted] contractors to this office. Shortly thereafter, [redacted] was delegated appropriate contractual authority permitting him to sign off as the final Government agent letting the contract. The total obligations of the contracts now under the cognizance and management of OSP through fiscal year 1965 and into the first half of 1966 totals approximately [redacted]

2. The projected budgets for those programs currently underway as well as anticipated programs for the next 3 fiscal years are estimated at [redacted]. A specific breakdown of our program by project and fiscal year is attached for your information.

3. A second note of interest is that while in CSA as Deputy Chief/Contracts Division [redacted] was personally responsible for contracts totalling [redacted]. A specific identification of these contracts is also attached as Attachment E.

4. We are also desirous of taking the opportunity to add our most enthusiastic endorsement of the several promotion recommendations which have been submitted to the Office of Logistics on [redacted]. He is an outstanding individual in his field and extremely well versed in the art of contracting. He has a total grasp of the programs in which we are dealing and his advice and consent on matters exceeding the strict duties of his office are eagerly sought. This office cannot do enough in encouraging the Office of Logistics to grant [redacted] a well-deserved promotion to GS-15.
